# ROMANCE SUITE

## 2 OF 4

## Dimension:

Edition Size 90

Actual Size : 15" x 19"

Love's "Poetry" is its delicate, crystalline structure – a thing to be admired for its orderliness of form and the rhythm of its moods. The man reads to both the woman and the child, and while we cannot know exactly what the text contains, we see her gaze at the child in her arms in response to the loving nature of the language. Through poetry we speak of emotions we cannot express otherwise, and the expression is as beautiful as the emotions themselves.
