Edition size 150

Actual Size : 36" x 48"

Having developed the trust that comes from real love, the artist and his lover share each other's inspiration, what moves each of them spiritually and creatively. While the man cradles the woman's tenderness – a blue rose bouquet of love, life and hope – the woman embraces the man's violin, his music and passion, as if they were her own. In a moment, the man and woman will exchange again, all their thoughts shared as one, and together they will plunge toward the hopeful future that beckons them beyond the open window.
